

MEMORANDUM OF UNDERSTANDING

Between

Yayasan Sabumi Nusantara Jaya

And

Kasepuhan Cibarani, Lebak, Banten

PREAMBLE

This Memorandum of Understanding ("MoU") is made and signed on the date of 14th in February 2025, by and between Yayasan Sabumi Nusantara Jaya ("First Party"), a foundation domiciled in Kp. Kebalen I RT. 006 RW. 016 Kasunyatan, Kasemen, Serang City, Banten Province, and Kasepuhan Cibarani ("Second Party"), which represents the Kasepuhan Cibarani indigenous community located in Lebak, Banten.

CONSIDERING THAT:

1. The First Party is committed to promoting sustainable forestry practices and environmental conservation through the "Green Gold Plantation" program.
2. The Second Party is the customary holder of approximately 20,000 hectares of ancestral land in Kasepuhan Cibarani and Kasepuhan Banten Kidul, including primary forest areas.
3. Both parties share a shared vision to conserve and restore primary forests while supporting the livelihoods of local communities through planting, maintaining, and protecting bamboo plantations.

Therefore, the parties agree as follows:

ARTICLE 1

OBJECTIVE

The objective of this MoU is to establish a framework for cooperation in the utilization of 20,000 hectares of land in Kasepuhan Cibarani and Kasepuhan Banten Kidul for the "Green Gold Plantation" program. This program aims to plant 2 million bamboo seedlings, restore and conserve primary forests, and improve community livelihoods through sustainable practices.

ARTICLE 2

SCOPE OF COOPERATION

1. Responsibilities of the First Party:

- Provide 2 million bamboo seedlings for planting.
- Provide funding and technical support for planting, maintenance, and monitoring activities.
- Implement training programs for communities on sustainable bamboo farming and forest management.
- Facilitate market access and capacity building for bamboo-based economic activities.

2. Responsibilities of the Second Party:

- Provide 20,000 hectares of land in Kasepuhan Cibarani and Kasepuhan Banten Kidul for the bamboo plantation project.
- Mobilize the community to participate in planting, maintaining, and protecting bamboo plantations.
- Ensure primary forest protection and sustainability of bamboo plantations.
- Monitor and report on the progress of plantation activities to the First Party.

3. Shared Responsibilities:

- Collaborate in creating policies and guidelines for sustainable land use and environmental conservation.
- Establish dispute resolution mechanisms and address community concerns.

ARTICLE 3

TERM

This MoU is valid for 30 (thirty) years from the date of signing, with the possibility of extension based on mutual agreement.

ARTICLE 4

FUNDING

The First Party will provide funding for the implementation of the "Green Gold Plantation" program, including the provision of seedlings, tools, training, and operational costs. The Second Party will contribute in the form of labor support, land use, and local knowledge.

f u c

ARTICLE 5

GOVERNANCE

A joint consortium consisting of representatives from the First Party and the Second Party will be formed to oversee the implementation, monitoring, and evaluation of the program.

ARTICLE 6

INTELLECTUAL PROPERTY

All intellectual property resulting from this collaboration, including training materials and sustainable bamboo farming techniques, will become the joint property of both parties.

ARTICLE 7

TERMINATION

This MoU may be terminated by either party with 6 (six) months prior written notice. In the event of termination, both parties will ensure the continuation of the program objectives as far as possible.

ARTICLE 8

DISPUTE RESOLUTION

Any disputes arising from this MoU will be resolved peacefully through dialogue and mutual agreement. If not resolved, the matter may be referred to an independent mediator agreed upon by both parties.

f 2 1

ARTICLE 9

GENERAL PROVISIONS

1. This MoU does not create a legally binding relationship but serves as a framework for cooperation.
2. Any changes to this MoU must be made in writing and signed by both parties.
